## Medulum and the Time and Space Machine

★ Listen and read the story.

Mike and Maxie Jameson are twins. They're nine. Right now they're walking to the woods near their house. It's cold. They're wearing jackets and scarves and boots.

Now Mike and Maxie are playing in the woods. But look! What's that? "Let's go and see!" says Mike.

The twins are standing in front of the thing. It's small and round and shiny. There are flashing lights. Maybe it's a spaceship! "Mike!" says Maxie. "Who's that?"

"I'm Medulum," says the little creature. "Is that your spaceship?" asks Mike. "Yes," says Medulum. "But it isn't just a spaceship. It's a time and space machine!"

★ Draw a picture of the two things the twins see in the woods. Write two sentences to describe the things.
