Classroom Newspaper

1 and 2

1 Read the story. Listen to your teacher and answer the questions.

Yesterday, the Green Valley Elementary School soccer team played the Riverside Elementary School team. The team traveled to Riverside Elementary School on the school bus. Alex went, too. He's not on the team, but he wanted to take some photographs for the classroom newspaper.

It was a great game and Green Valley School won! Alex took some great photographs. But when he got back to school he couldn't find his camera! It wasn't in his school bag and it wasn't on the school bus!

Alex was very sad. The camera wasn't expensive, but he was sure the photos were great. There were some of the team on the bus, lots of the game, and one of Ollie scoring the winning goal. The soccer coach called Riverside School. "Alex! Don't worry! They found your camera," he said. "They are going to keep it for you. You can go and get it tomorrow!"

Alex's father took him to Riverside School the very next day. But when Alex looked at the camera, he was horrified. The camera was empty! "I forgot to put a film in it!" he said.
