1 Read the passage and answer the questions.

It was Saturday afternoon. Lauren and Zoe had a show with their dance class in the Community Center. The girls invited their families to see the show, which started at six o'clock. Mrs. Silva, Lauren's mom, took the two girls to the Community Center, and Mr. Stevenson went to the school to pick up Daley, who finished soccer practice at five o'clock. "After soccer practice, Daley and I will pick you up at the grocery store, and we'll all be in the Community Center before the show," Mr. Stevenson told his wife.

But things didn't work out that way. Daley fell down in soccer practice. Mr. Stevenson called his wife from the hospital. "Daley's cut his leg. I've brought him to the hospital and the doctor has bandaged it! It's five-thirty. You'll be late. Take a taxi to the Community Center." Mrs. Stevenson took a taxi, but there was a lot of traffic. The girls were starting when Mrs. Stevenson arrived, and everyone was leaving when Daley and Mr. Stevenson finally got there!

1 Where did Lauren and Zoe invite their parents and why?

2 What did Lauren's mom do?

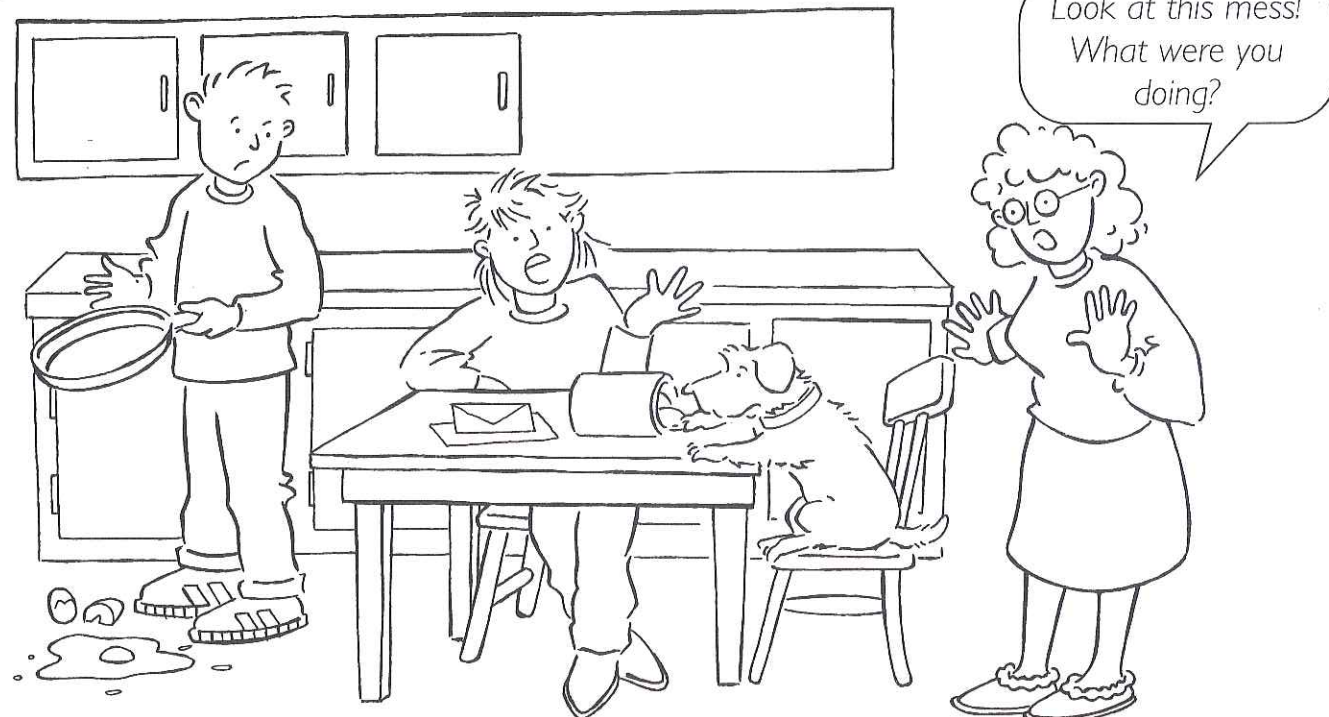

3 Why did Mr. Stevenson go to the school?

4 Why was Mrs. Stevenson late?

5 What was happening when Mr. Stevenson and Daley arrived?
