UNIT 1 Beautiful Kites

★ Look First

Look at the title and picture.
What is the reading about?

- a. Things in the sky
- b. Beautiful art

Find the words below.

kite deltas diamonds
strings common stunt
triangle tricks

Beautiful Kites

At a kite festival, you can see different kinds of kites.

Some kites look like diamonds. These are the most common kind of kites.

Others have the shape of a triangle. These are deltas.

Some kites have very long tails. These are dragon kites.

Other kites look like boxes made of sticks. These are box kites.

Finally, there are kites with lots of strings on them. These are stunt kites. People can make these kites do many interesting tricks.
