Funny Faces

What You Need

- 2 players
- game mat
- fine-point dry erase markers

Directions

1. Trade spelling lists with a partner.
2. Take turns giving each other words to spell aloud.
3. When a player spells a word correctly, he uses a dry erase marker to write it in a space on his side of the game mat. Then he draws one part of the face. (When all the named parts have been drawn, a player may write words above "bonus" and keep drawing on the face.)
4. If a player misspells a word, he loses his turn. His partner then spells the word aloud and shows it to him.
5. Play until both partners have drawn a face!
