

# Spelling Snake

## What You Need

- 2 players
- game mat
- fine-point dry erase markers

## Directions

1. Trade word lists with a partner.
2. Take turns giving each other a word to spell aloud.
3. When a player spells a word correctly, he uses a dry erase marker to write the word in the snake. He starts at the head and writes one letter in each space.
4. If a player misspells a word, he loses a turn. His partner then spells the word aloud and shows it to him.
5. The player who fills up the last space on the snake should draw the tail. If a player fills up the last space before writing all the letters in a word, he should draw enough new spaces to finish the word. Then he should draw the snake's tail.
6. The player who draws the snake's tail wins!
