Gate 4

Gate 5

Gate 6

**Player 2**

Gate 7

Gate 8

**FINISH**

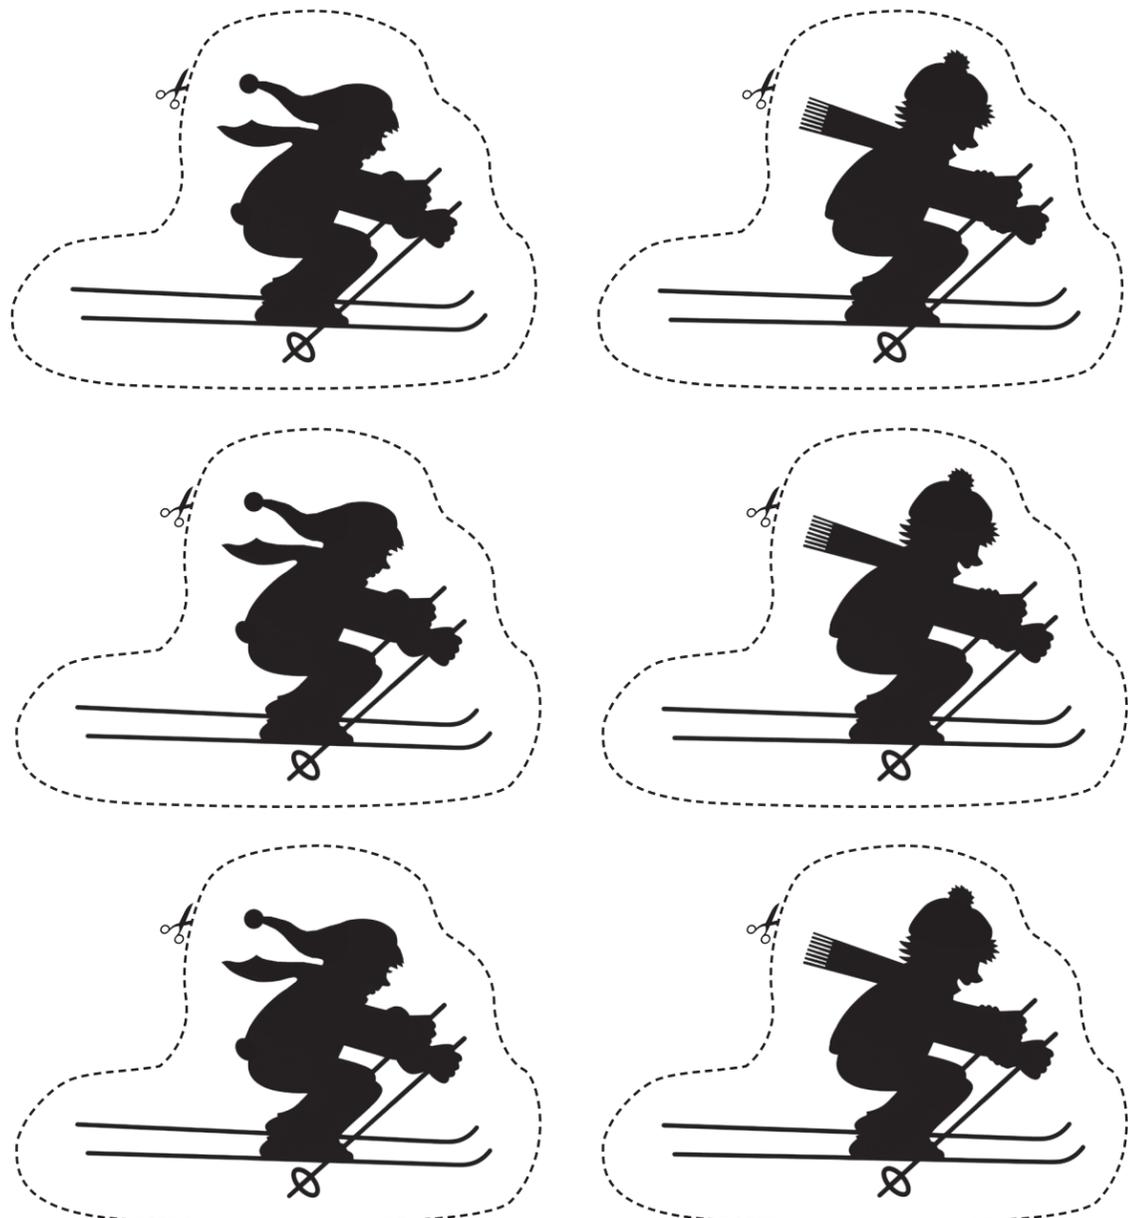

Vertical lines for Player 1's score.

Vertical lines for Player 2's score.

**To the Teacher:**

Duplicate the skier markers below. Place the duplicated markers with this game mat for students to cut out and use as markers to play *Ski Race*.

**Duplicate Skier Markers Before Cutting!**

**What You Need**

- 2 players
- fine-point dry erase markers
- game mat
- two skier markers

**Directions**

1. Each player should cut out a skier marker from the sheet your teacher made. Each player should place a skier marker at the "Start."
2. Trade spelling lists with a partner.
3. Take turns giving each other a word to spell aloud.
4. When a player spells a word correctly, she uses a dry erase marker to write the word in a space on her side of the game mat. Then she moves her marker to the next gate.
5. If a player misses a word, she loses a turn. Her partner then spells the word aloud and shows it to her.
6. The first racer to cross the finish line wins!
