**Part A**

situation: case

barely: almost

decade: ten years

education: schooling

**Part B**

1. In part one of our special report, we looked at how and why some **advanced** countries are facing a **population** crisis.
2. Reasons for **low** birth rates include expensive **education** costs, not enough work-life balance, and other high-living costs.
3. Despite **barely** averaging a birth rate over 1.5, these countries have **growing** populations
4. Immigrants are people who move to another **country** to live and **work**.
5. However it happens, countries with **shrinking** populations must figure out how to get over this problematic **situation** soon.

**Part C**

- ⓐ Immigrant Populations

**Unit 3 – Wild Weather****Part A**

typical, transport

**Part B**

1. sandstorms
2. tornado
3. winds
4. typical
5. wildfires
6. weather
7. ocean
8. transport
9. moisture
10. weird

**Part C**

- Ⓒ Tornadoes

**Unit 4 – Climate Change****Part A**

gasoline: oil  
harmful: dangerous  
agriculture: farming  
industry: building

**Part B**

1. **Greenhouse** gases make everything too hot. This causes extremely destructive changes to the **Earth's** climate and weather conditions.
2. Furthermore, CO<sub>2</sub> and other **harmful** gases are not **good** for humans and other animals to breathe in.
3. Humans are the main cause of climate change, especially through air travel, **agriculture**, and **industry**.
4. For example, ride a bicycle, **walk**, or use a **vehicle** that doesn't make CO<sub>2</sub>.
5. Many people, companies, and governments may not feel the need to act immediately because the **destruction** of climate change happens **gradually**.

**Part C**

- Ⓑ The Greenhouse Effect

**Unit 5 – Rising Temperatures****Part A**

occur

**Part B**

1. occurring
2. graph
3. decade
4. temperature
5. global
6. destructive
7. storms
8. greenhouse
9. gathered
10. agencies

**Part C**

- ⓑ Stronger Storms

**Unit 6 – Screen Time****Part A**

fascinating: amazing  
routine: habit  
necessary: needed  
medical: health

**Part B**

1. However, **survey** results show that many kids, ages eight and up, are actually online almost **four** times that amount.
2. And of them, **60** percent said it's a "serious problem," as you can see on this pie **chart**.
3. Psychological **studies** show that too much screen time can disrupt sleep, caused depression, and **increase** obesity.
4. **Medical** experts **recommend** checking your phone after you've washed your face, gotten dressed, had breakfast, and brushed your teeth.
5. They say to do **necessary** tasks **first**.

**Part C**

- ⓒ Online Effect

**Unit 7 – The Fitness Club****Part A**

offer

**Part B**

1. trainer
2. gym
3. discount
4. membership
5. price
6. exercise
7. yoga
8. offering
9. year
10. group

**Part C**

- Ⓐ Gym Memberships

**Unit 8 – Smart Workout****Part A**

active: fit

intensity: energy

procrastinate: put off

reminder: notice

**Part B**

1. So, I understand that you recently started using wearable **technology** to help you keep track of your **health**.
2. Things in life would just get **overwhelming**. I would just **skip** a few workouts, and then just give up exercising altogether.
3. About six **months** ago, my old smartphone broke, so I went down to the store to pick out a new **phone**.
4. He even showed me **data** from his own smart watch and said how the technology helped him to **lose** some weight/
5. It helps me **monitor** all of my activity and keeps track of my healthy **habits**.

**Part C**

- Ⓑ Wearable Technology
