

**Integrate Listening & Speaking
Building 3 Listening Worksheet
Answer Key**

Unit 1 – The Written Word

Part A

medieval, rapid, academics

Part B

1. printing press
2. medieval
3. rapid
4. literacy
5. academics
6. science
7. inventors
8. innovative
9. history
10. advancements

Part C

- ⓑ The Printing Press

Unit 2 – Now Worth the Salt

Part A

civilization: society
continent: landmass
constant: always
preserve: save

Part B

1. I also described how it was used as money by different **civilizations**, and how it helped the Roman Empire **spread**.
2. Although most of us no longer view the **mineral** as money anymore, we still use some common words and well-known **expressions** that stem from the history of salt being used as money.
3. Many **linguists** and historians **believe** the Latin word “solarium” and the English word “salary” are related, and therefore the word “salary” comes from “solarium argentum.”
4. Basically, this phrase refers to how a **Roman** soldier’s salary was cut, or **lowered**, if he didn’t do a good enough job to earn his salt payment.
5. As we can see through these historical and modern examples, salt was - and still is - a very important thing to **humans** on every **continent**.

Part C

- ⓒ Salt Payments

Unit 3 – Magnificent Muscles**Part A**

episode

Part B

1. anatomy
2. strings
3. tissue
4. rope
5. bones
6. cells
7. muscles
8. healthier
9. expert
10. episode

Part C

© Bones and Muscles

Unit 4 – The Doctor's Office**Part A**

tighten up: tense
uncontrollably: wildly
exam: test
suggestion: advice

Part B

1. That's **good** to hear. So, my **suggestions** worked then, huh?
2. After I finished all of my final **exams**, I was able to get a lot **more** rest.
3. So, don't just do these things when you don't feel **well**, but try to do a **combination** of them all the time.
4. You're still **young**, but if you take good care of your **body** now, you will have a much easier time taking care of yourself when you get older.
5. It takes some getting used to, but if you **develop** healthy habits at a young age, you will be used to that lifestyle when you start getting **older**.

Part C

⑥ Healthy Habits

Unit 5 – Graphene**Part A**

substance, flexible

Part B

1. properties
2. discovered
3. substance
4. unique
5. products
6. graphene
7. flexible
8. hexagon
9. atoms
10. screens

Part C

- Ⓐ A Special Substance

Unit 6 – Nature's Favorite Shape**Part A**

aware: mindful

remarkable: impressive

shell: cover

coincidence: accident

Part B

1. Tonight, we're looking at **geometry** in **nature**.
2. But, if bees aren't **aware** that they are deciding on a **particular** shape, then why do they know how to make hexagons?
3. But, why a **hexagon**? Is it just **a coincidence**?
4. The reason is, when many of the same shape are used to **cover** a flat surface, hexagons are better than any other shape at covering a flat **surface** without wasting any space.
5. We hope you enjoyed tonight's **program** on geometry and **patterns** in nature, and we'll see you next time.

Part C

- Ⓑ Hexagons

Unit 7 – Personalized Medicine**Part A**

field, condition

Part B

1. illnesses
2. genes
3. doctors
4. field
5. medicine
6. factors
7. condition
8. DNA
9. heart
10. health

Part C

- © A New Type of Medicine

Unit 8 – Choosing a Career**Part A**

path: way

surgery: operation

situation: circumstance

determine: decide

Part B

1. I needed **surgery**, and the doctor told me I could never play **baseball** again.
2. After my **shoulder** surgery, I had to think about a new **career** for the first time.
3. Sports **agents** help the players find a **team** to play for, and also help with salary decisions.
4. After **graduation**, I couldn't find a job, so I took an **internship**.
5. This is a **great** start to planning your **career**.

Part C

- ① Dream Jobs
