

### *Note to Teachers*

The **EFL Phonics Placement Test** has been designed to help teachers accurately place students into the appropriate level of the series by evaluating students' existing knowledge of phonics.

The test questions come directly from the five levels of the EFL Phonics series, starting from single letter sounds and ending with double letter vowels. The test is divided into two sections:

**Part 1** – Listening (15 questions)

**Part 2** – Reading and Writing (29 questions)

There are 44 questions in total. The point value of each question can be found in parenthesis next to the directions. Allow students approximately 20 minutes to complete the test - five minutes for Part 1 and 15 minutes for Part 2.

### *Scoring Rubric*

Score	Recommended Level of EFL Phonics
0-18	Book 1: Single Letter Sounds
19-37	Book 2: Short Vowels
38-59	Book 3: Long Vowels
60-78	Book 4: Double Letter Consonants
79-100	Book 5: Double Letter Vowels

### **Test Placement Advice**

For students who score above a 95 on a placement test, a brief review of EFL Phonics 5 followed by a higher level series would be recommended.
