Goal: Get the most flashcards!

Materials: Flashcards (1-80), a coin

How to play:

1. Divide students into groups of two to four.
2. Students spread flashcards (1-80) around the game board with the picture side facing up.
3. Students take turns shooting the coin.
4. Students sound out the letter that the coin lands on, pick up a matching flashcard, and say the word aloud.
5. The student with the most flashcards wins the game.
