Anne
I want to be a writer when I grow up. In fact, I am writing many things right now. I **write in my diary** every night before bed. It helps me remember my experiences and feelings. I also **write fan fiction**. They're stories made using the characters and settings of other people's stories. Do you want to know what kind of fan fiction I write? I'll give you a hint: it has magic in it!

Carrie
I love competition. That's why I **do combat sports**. Combat sports are activities like karate and judo. At the moment, I'm **taking taekwondo classes**. I'm applying for my blue belt next week. I hope I get it.
I have two dreams. One of my dreams is to get a gold medal at the Olympics. My other dream is to be a famous mixed martial artist like the fighters you see on TV.

James
I have a lot of interests. It's hard for me to pick just one. Right now, I'm really **into squash**. I **played tennis** for a little while and got bored.
Squash is similar to tennis in many ways but also very different. In tennis and squash, you use a racket and take turns hitting the ball. But a squash racket and ball are smaller than a tennis racket and ball. Also, the size of a squash court is smaller. This makes the games feel a lot faster.

Sarah
I do a lot of different things. I'm **on my school's softball team**, and I **surf with my friends** on the weekend. But secretly, I have a favorite hobby: **magic**.
Hear me out... I've always loved magic shows. Magicians like David Blaine and David Copperfield are so exciting to watch. I know it's not real, but I can't help but love it. In my free time, I like to **practice magic tricks and work on routines**.
