You can hear birds chirping on branches

Songs to the sun and the sky

On your umbrella, tapping a tune

Listen to wind calling out loudly

This stormy night will end soon

### Inchworm

*Refrain, sung throughout:*

*Two and two are four*

*Four and four are eight*

*Eight and eight are sixteen*

*Sixteen and sixteen are thirty-two*

Inchworm, inchworm  
Measuring the marigolds  
You and your arithmetic  
You'll probably go far

Inchworm, inchworm  
Measuring the marigolds  
Seems to me you'd stop and see  
How beautiful they are  
*(Repeat above two stanzas)*

---

## Track 9

### Rockabye Baby

Rockabye baby, on the treetop  
When the wind blows, the cradle will rock  
When the bow breaks, the cradle will fall  
And down will come baby, cradle and all

### The Grand Old Duke of York

The Grand old Duke of York  
He had ten thousand men  
He marched them up the hill  
*(Everyone stands up)*  
And marched them down again  
*(Everyone sits down)*  
And when you're up, you're up  
*(Everyone stands up)*  
And when you're down, you're down  
*(Everyone sits down)*  
And when you're only halfway up  
*(Everyone rises halfway up)*  
You're neither up nor down!  
*(Repeat)*

## Track 25

### Sing Me a Song

Come on and sing me a song  
It makes the sun shine brighter  
Sing me a song if there's a rain  
Just take the time for a song  
And make my heart much lighter  
Bring that smile again  
*(Repeat)*

Under the blue sky  
Under the blue sky  
Sing a song for me  
And if the day brings showers  
Let those notes roll over me

Sing me a song,  
It makes the sun shine brighter  
Sing me a song if there's a rain  
Just take the time for a song  
And make my heart much lighter  
Bring that smile again  
*(Repeat)*

Under the blue sky  
Under the blue sky  
Sing a song  
And if the day brings showers  
Let those notes just roll along

Sing me a song  
Sing me a song  
Sing me a song  
Sing me a song  
Sing me, sing me, sing me a song

## Track 26

### Late for School

When Joey woke up this morning  
He saw it was a quarter past eight  
When he looked at the clock  
He said "Oh my gosh  
I really don't want to be late!"  
So he quickly washed his face  
And got dressed really fast  
But when he got downstairs  
He had to run right back  
He saw that one sock was white  
And the other was black

*Chorus:*

*Oh, being late for school*

*Just isn't cool*

*In his house*

*There is this rule*

*Try to never ever ever be late for school*

Then he ate his breakfast  
And ran right out the door  
But soon he found he had to turn around  
And run back home once more  
'Cause sitting on the table  
Imagine that  
Were his books and his lunch  
And his big backpack  
(Chorus)

When he finally got to the schoolyard  
There was no one there  
So when he walked up to the door  
He was feeling a little scared  
'Cause he might get in trouble  
What would his teacher say?  
Then he let out a sigh  
When he realized  
It was Saturday!  
(Chorus)

## Track 27

### Shake Shake Shake

When you hear the music  
Get up on your feet  
Start dancin' to the rhythm  
And shaking to the beat

*Chorus:*

*Shake shake shake*

*Shake your body round*

*Shake shake shake*

*Shake it up and down*

*(Repeat)*

When you hear the music  
Makes you feel so good inside  
So throw your hands up in the air  
And shake them side to side  
(Chorus x 2)

When you hear the music  
It will make your smile show  
You will feel so happy  
When you're shaking high and low  
(Chorus x 2)
