#### Each of Us Is a Flower

##### Chorus:

Each of us is a flower growing in life's garden  
Each of us is a flower, we need the sun and rain  
Each of us is a flower growing in life's garden  
Each of us is a flower, we need the sun and rain

Sun, shine your warmth on me  
Moon, cool me with your night  
Wind, bring the gentle rain  
Earth, take my roots down deep  
(Two stanzas sung simultaneously)

Each of us is a flower growing in life's garden  
Each of us is a flower, we need the sun and rain  
Each of us is a flower growing in life's garden  
Each of us is a flower, we need the sun and rain  
We need the sun and rain  
We need the sun and rain  
Cha cha cha!

#### Rags

I have a dog and his name is Rags  
He eats so much that his tummy sags  
His ears flip flop and his tail wig wags  
And when he walks, he walks zig zag

*Chorus:*

*He goes flip flop, wig wag, zig zag*

*He goes flip flop, wig wag, zig zag*

*He goes flip flop, wig wag, zig zag*

*I love Rags and he loves me!*

My dog Rags, he loves to play  
He rolls around in the mud all day

I whistle, he won't obey  
He always runs the other way  
*(Chorus x 2)*

### Track 25

#### I's the B'y

I's the b'y that builds the boat  
And I's the b'y who sails her  
I's the b'y that catches the fish  
And takes them home to Lizer

*Chorus:*

*Hip yer partner, Sally Tibbo'  
Hip yer partner, Sally Brown  
Fogo, Twillingate, Morton's Harbour  
All around the circle!*

Sods and rinds to cover your flake  
Cake and tea for supper  
Codfish in the spring o' the year  
Fried in maggoty butter  
*(Chorus)*

I don't want your maggoty fish  
That's no good for winter  
I could buy as good as that  
By down in Bonavista.

*(Chorus)*

Susan White, she's out of sight  
Her petticoat wants a border  
Old Sam Oliver in the dark  
He kissed her in the corner

*(Chorus)*

So I's the b'y that builds the boat  
And I's the b'y that sails her  
I's the b'y that catches the fish  
And takes them home to Lizer  
*(Chorus)*

**Track 26**

**Watch Me Ride My Bike**

Since Jesse was a little girl  
There was something that made her sad  
She wanted her very own bicycle  
That's the one thing she wished she had  
So every night before she fell asleep  
When she'd close her eyes in bed  
She'd see herself on a bicycle  
All shiny, bright, and red  
And she'd say

**Chorus:**

*Hey, everybody, watch me ride my bike*  
*Watch me roll on down the street*  
*Peddlin' my feet so fast*  
*Sittin' on my bicycle seat*  
*Oh, hey, everybody, watch me ride my bike*  
*Wish I could ride all day*  
*Wind blowin' through my hair*  
*Makes me feel okay*

One morning when she awoke  
Jesse looked outside  
And right there on her front porch  
Was a bike and she was ready to ride

Now when Jesse got up on that bike  
She felt really proud  
Well, she fell down once or twice  
But it felt so nice  
When she learned how to ride  
And she said out loud  
(Chorus x 2)
