Reading 1 Title: *Perfect Weekend with E-book*

When I went to a cottage with my family and my friend Emily's family this weekend, I brought an E-book reader with me to read some books in the car. My parents bought me the E-book reader for my birthday. I downloaded my favorite stories such as *Aesop's Fables* and detective novels. The E-book reader was much lighter than paper books, so it was easier for me to carry. Even though the traffic was heavy on the way to the cottage, I was not bored because I had my E-book reader. After I had dinner at the cottage, I showed Emily my E-book reader. She said it almost felt like reading a real book! She hoped to get an E-book reader as a Christmas present.
