※ (24-27) Read readings 1 and 2, then answer the questions.

Reading 1 Title: *Why Was Pi Day 2015 so Special?*

On March 14th of 2015, many math lovers celebrated pi, the only number with no end. However, in 2015, Pi Day was even more special than others. At 9:26:53 a.m., the date and time was read 3.14.15 9:26:53, which are 10 digits of pi. This only happens once in a century, so people celebrated this special Pi Day in various ways. Some people printed T-shirts with '3.14.15 9:26:53' on top. Many people posted their celebration of Pi Day on the social network platform. Even NASA posted for the 'Best #PiDay.' Of course, people celebrated Pi Day by having a lot of pies as well. Math lovers will need to wait another century for the next special Pi Day in 2115!

24. Read and choose.

Special Pi Day happens once in 1000 years.

- ① True ② False

25. What was so special about Pi Day in 2015?

- ① At 9:26:53 a.m., people could get free T-shirts for Pi Day 2015.
- ② NASA celebrated the special Pi Day on their social network platform.
- ③ At 9:26:53 a.m., the number of the date and time was same as 10 digits of pi.
- ④ People did not need to go to work.
- ⑤ People could eat pie as much as they wanted.

Reading 2 Title: *Auguste Renoir*

Auguste Renoir is one of the most popular artists from all time. In his early years, he often visited the Louvre museum and studied the art of French artists. In April 1862, he went to school to study fine arts, and joined the private workshop of Swiss artist Charles Gleyre and met Claude Monet there. In the early 1870s, Renoir joined the Impressionist movement and focused his drawings on everyday people and surroundings. However, from the 1880s, he developed a more solid and clearer style of painting than the other Impressionists. He continued to experiment in art even when he got older. Renoir is celebrated as one of the greatest painters both for his work as an Impressionist and his unending enthusiasm in art.

26. Read and choose.

Auguste Renoir stayed away from the Impressionism after he fought with Claude Monet.

- ① True ② False

27. Read and choose the sentence that is NOT true.

- ① Auguste Renoir could not go to school to study art because he was poor.
- ② Renoir met Monet in a private artist workshop.
- ③ Renoir continued to explore art even after he became old.
- ④ Renoir is one of the most famous artists of all time.
- ⑤ In his later days, Renoir's work was more solid and clearer than before.
