Last night, Justin Timberlake performed a concert in Boston. The show was a lot of fun. He sang songs like "Cry Me a River," "My Love," and "Like I Love You." The crowd cheered a lot. They loved the songs he sang and the way he danced on stage.

People on the street could hear the concert because the music was very loud. One woman said that she was happy to hear the music from outside for free.

In the past, Justin Timberlake was a member of the band 'N Sync. The band was very popular with young people in the United States. When the band broke up, Justin Timberlake started to sing on his own. His songs, dances, and clothes are all cool!

1. Justin Timberlake was a member of 'N Sync.
2. Justin Timberlake is a cool and popular singer.
3. The crowd at the concert loved his singing and dancing.
