The conductor leads the orchestra.

The conductor is like a coach. He _____s the music. He leads rehearsals. ⁹

He decides when to play fast, slow, loud, or soft.

How does the conductor do this? He makes big motions with his hands. He holds a baton in his ¹⁰ _____ hand. The baton helps the musicians see him better.

Cactuses have roots, stems, and spines. They all help cactuses keep water inside. So cactuses can live and grow in the _____.

¹¹

Cactus roots are long, and some roots grow deep. The roots collect water in the ground. Cactuses can _____ water in their stems for a long time. ¹²

Spines keep the cactus _____ from animals. And they help keep water inside the cactus. ¹³

[14-16] Read and choose the correct answers.

The trunk moves the water to the branches. And the branches move the water to the leaves.

Then the leaves use water, air, and sunlight to make food. The food helps the whole tree grow strong and tall. But it all starts at the roots.

- 14** The trunk moves the water to the _____.
- Ⓐ leaves
 - Ⓑ branches
- 15** The leaves use water, air, and _____ to make food.
- Ⓐ sunlight
 - Ⓑ roots
- 16** The food helps the _____ tree grow strong and tall.
- Ⓐ new
 - Ⓑ whole

[17-18] Read and choose the correct answers.

Sharks are very old animals. Sharks are older than the dinosaurs. Sharks are all different sizes. The whale shark is the biggest. It is 15 meters long. The dwarf lantern shark is the smallest. It can fit in your hand. Sharks do not have bones. They have cartilage. Cartilage is like bone, but it can bend. Humans have cartilage too. It is inside our ears and noses.

- 17** How long is the whale shark?
- Ⓐ It can fit in my hand.
 - Ⓑ It is 15 meters long.
- 18** What do sharks and humans have in common?
- Ⓐ They both have cartilage.
 - Ⓑ They both have bones.

[19-20] Read and choose the correct answers.

Pick up garbage in your neighborhood. Pick up bottles on the street. Pick up cans in the park. Then put them in a recycle bin.

Do you have old toys? Clean the toys. Put them in a box. Then take them to the hospital. Sick kids will love the toys.

Do you like animals? Go to the animal shelter. Clean the cages. Feed the animals or take them for a walk.

19 What can you do in your neighborhood?

- Ⓐ Put toys in a box.
- Ⓑ Pick up garbage.

20 What should you do before taking old toys to the hospital?

- Ⓐ Clean the toys.
- Ⓑ Clean the cages.
