pink salmon

[13-16] Read and write the correct words.

violin

put down

bow

bring

Mrs. Clark takes out a \_\_\_\_\_.

13

She shows it to Mateo.

"How many strings does it have?" asks Mrs. Clark.

"It has four strings," says Mateo.

Mrs. Clark takes out a stick.

She shows it to Mateo.

"This is the \_\_\_\_\_," says Mrs. Clark.

14

"You play the violin with it."

On Saturdays, my brother and I go to the rest home. Some old people live in rest homes. Sometimes they get bored. So we bring board games and books in our backpacks. But last week, we did not \_\_\_\_\_ games and books. We brought a surprise.

15

The grandmas and grandpas were happy to see us. But they were also sad. No games? No books?

I \_\_\_\_\_ my backpack and opened it. The surprise jumped out, and everyone laughed. A puppy! We played with the puppy all day.

16

**[17-20] Read and answer the questions.**

Bears hibernate in their den all winter. But before they go to sleep, bears eat a lot of food. They eat all day and night to get fat. Bears use their fat for energy while they sleep.

Bats also hibernate all winter in a cave or inside a tree. They sleep hanging upside down! Bats can sleep up to six months until spring.

**17** What do bears do before they go to sleep?

- Ⓐ They eat a lot of food.
- Ⓑ They drink a lot of water.
- Ⓒ They move around a lot.

**18** How do bats sleep in a cave?

- Ⓐ They sleep standing up.
- Ⓑ They sleep with one eye open.
- Ⓒ They sleep hanging upside down.

The Incas built Machu Picchu in the 15<sup>th</sup> century. But, somehow, they left the city and disappeared. People still do not know why they left.

Peru always had many earthquakes, but Machu Picchu's walls did not fall. The Incas built the walls with big stones. They had to carry the stones to the top of the mountain. But no one knows how the Incas did it.

**19** What did Peru always have?

- Ⓐ It always had cactuses.
- Ⓑ It always had earthquakes.
- Ⓒ It always had monkeys.

**20** What did the Incas build the walls with?

- Ⓐ They built the walls with lots of sands.
- Ⓑ They built the walls with logs.
- Ⓒ They built the walls with big stones.
