[9-11] Read and answer the questions.

Banksy's art often tells us powerful messages about life and our world. *Girl with Balloon* is one of his most famous works. It was painted on the wall of Waterloo Bridge. The image is of a young girl and her red heart-shaped balloon. Her hand is stretched out and her balloon is floating away. Next to the image, Banksy wrote, "THERE IS ALWAYS HOPE."

9. What is the paragraph mainly about?
 - Ⓐ Banksy's artwork and style
 - Ⓑ how Banksy creates his art
 - Ⓒ Banksy's *Girl with Balloon*

10. What is *Girl with Balloon's* message?

- Ⓐ friendship Ⓑ hope Ⓒ love

11. What is NOT true about *Girl with Balloon*?

- Ⓐ It is one of his most famous works.
Ⓑ It was painted on the wall of Waterloo Bridge.
Ⓒ It has a young girl and her yellow balloon.

[12-15] Read and answer the questions.

When people hear the word "graffiti," they usually think of spray paint and bad words on walls. Moss graffiti, or eco graffiti, is a different type of graffiti art. It is used to create images and words in a safe and positive way. Traditional graffiti art is created with spray paint. However, spray paint usually has harsh and toxic chemicals. **It** is harmful to people and to the environment. Most graffiti is created on walls without permission. So many building owners get angry about it.

12. How is moss graffiti used to create images and words?

- Ⓐ in a safe and positive way
Ⓑ in a bad way
Ⓒ in a negative way

13. What is NOT true about spray paint?

- Ⓐ It is harsh. Ⓑ It is eco-friendly. Ⓒ It is toxic.

14. What does **It** refer to?

- Ⓐ spray paint Ⓑ moss graffiti Ⓒ traditional graffiti

15. What is true about traditional graffiti?

- Ⓐ It makes people think of spray paint and bad words on walls.
Ⓑ It creates images in a safe and positive way.
Ⓒ It uses moss instead of spray paint.
