#### My Favorite Book: *Frying High*

Introduction		1. _____
Body/ Details	Why the book is special or touching	2. _____
	Another thing that touched you	3. _____
Conclusion		4. _____

a. There are many reasons why I find this book so touching. What I found most touching was the relationship between Yolanda and her mother. Yolanda always appears alone in her videos. I didn't realize that her mother is the one holding the camera! They have a very close relationship since her mother helps her with every episode. I could tell that they love each other very much.

b. I love reading, and I read as many as two books a week. I've read classic and modern books in all genres, but no book has touched me as much as Yolanda Fry's autobiography *Frying High*.

c. Reading this book will make you see one of the internet's rising stars differently. I highly recommend it for anyone looking for a new book to read.

d. I was also touched by how Yolanda talked about her fans. She said that, due to her fans' support, she is able to do what she loves. Because of reading this book, I became a bigger fan of Yolanda. She seems like a really nice person.

#### Movie Review of *Imagining Maria*

Introduction		5. _____
Body/ Details	What the movie is about	6. _____
	Who is in the movie	7. _____
	Different features from the book	8. _____

a. What I really like about the movie is the changes from the book. I didn't like the book because it was a bit boring. This movie adds lots of action but keeps the original storyline. The turning point of the film, the fight scene in the library, is my favorite scene in the movie, but it isn't in the book. The ending is different as well, but I won't spoil that here!

b. Last weekend, the new drama film *Imagining Maria* came out in movie theaters around the country. I watched it with a packed crowd on opening night.

c. *Imagining Maria* is a story about eleven-year-old Maria Grace and is based on the popular book of the same name.

d. Crystal Waves, the actress who plays Maria, gives a great performance. But the best part of the movie is the actor Jerry Grady, who plays the villain. His scenes are really good, and he's very scary.

**D. Replace the underlined phrases with the words that have same meaning.**

extremely	endless	scenes
exciting	fighters	

My Favorite Movie, *Superhero Squad: Final Fight*

I think the best movie ever is *Superhero Squad: Final Fight*. Few people know about this series. But, in this essay, I will tell you why everyone should know about it.

The storyline of this film is 1. interesting. There is a lot of action, 2. never finishing jokes, unexpected surprises, and a little romance. It is the perfect ratio for the perfect movie. Speaking of jokes, this movie is 3. super funny. The main character, Voltage Boy, makes jokes in almost every scene. I couldn't stop laughing throughout the whole movie. This movie is the fourth movie in the series. The others are also really funny, but not as funny as *Final Fight*.

This movie also has the best fight 4. parts. A few characters are good 5. warriors, so they use cool weapons like long swords or a bow. But the others can't fight at all. Instead, they either make jokes during the fight or help out the person who is fighting. The actors who can fight made me want to take martial arts classes.
