Last weekend, the new drama film *Imagining Maria* came out in movie theaters around the country.

(1)\_\_\_\_\_

*Imagining Maria* is a story about eleven-year-old Maria Grace and is based on the popular book of the same name. Crystal Waves, the actress who plays Maria, gives a great performance. (2)\_\_\_\_\_ His scenes are really good, and he's very scary.

(3)\_\_\_\_\_ I didn't like the book because it was a bit boring. This movie adds lots of action but keeps the original storyline. The turning point of the film, the fight scene in the library, is my favorite scene in the movie, but it isn't in the book. (4)\_\_\_\_\_

*Imagining Maria* is an entertaining movie that I highly recommend. (5)\_\_\_\_\_

(2)\_\_\_\_\_ I couldn't stop laughing throughout the whole movie. (3)\_\_\_\_\_ The others are also really funny, but not as funny as *Final Fight*.

This movie also has the best fight scenes. A few characters are good fighters, so they use cool weapons like long swords or a bow. But the others can't fight at all. Instead, they either make jokes during the fight or help out the person who is fighting. (4)\_\_\_\_\_

*Superhero Squad: Final Fight* is a great movie and lots of fun for the whole family. (5)\_\_\_\_\_ If you have a few free hours, go watch it! I promise you won't regret it!

She always appears alone in her videos. I didn't realize that her mother is the one holding the camera! They have a very close relationship since her mother helps her with every episode. ### B. Arrange the unscrambled sentences to complete the passage.

Everybody needs a friend. But what makes a good friend? **(1)**\_\_\_\_\_

First, good friends should be good listeners. For example, someone who will listen to you talk about your day, even if it's really boring, is a good friend. If they don't listen or show an interest in your day, they are not a good friend.

**(2)**\_\_\_\_\_ That is, you should be able to ask a friend for help or tell them your secrets. If your friend refuses to help or can't keep that secret to themselves, they are not a good friend.

**(3)**\_\_\_\_\_ But even if they don't, they should at least make an effort to enjoy what you like. **(4)**\_\_\_\_\_ However, he doesn't mind watching me play *Soul Scorchers*.

In summary, a good friend is someone who listens to you, who is reliable, and who cares about your interests. If you have a friend like that, you are very lucky! **(5)**\_\_\_\_\_

Some people say that friends can be as close as family. **(1)**\_\_\_\_\_

Similar to family, we spend a lot of time with friends. In fact, we often spend more time with our friends than our family. Since we have experienced many things together in everyday life, like difficult exams or funny things in class, we prefer spending time with our friends than with our families. **(2)**\_\_\_\_\_

There are ways to reduce the amount of non-recyclable items you throw away as well. (3)\_\_\_\_\_ Instead of buying something that isn't recyclable, you should look for something that is. Or, before throwing it away, think about how you can reuse that item in your home. (4)\_\_\_\_\_

(5)\_\_\_\_\_ All of us have a part to play. So next time you want to throw something away, stop and think before you put it in the trash.
