#### Traveling around Town

In my town, there are three ways to get around. The first way is by bus. A long, gray bus takes my family to the mall and the library. It is the easiest way to get there. The second way is by bullet train. A long, fast train takes my family to other small towns and big cities quicker than the bus. The third way is on foot. Strong two feet take me to many different places. It is the cheapest way to get around. I am lucky to have so many ways to get around!

#### My Favorite Festival

The Catalan Festival is one of my favorite festivals. First, there is a parade, where everyone dresses up. Everyone wears giant costumes which are made of paper and look like giant people. After the parade, the people of Barcelona make teams for the human tower competition. Adults and children climb on top of each other to make towers which are over 11 meters tall! When that's done, it's for time stories. Actors and dancers tell exciting stories on a big stage. Many people come to watch the performance. I get excited for the Catalan Festival every July!

#### Holiday Traditions

Dear Diary,

A few days ago was New Year's Eve. New Year's Eve is such a fun holiday and it is also my favorite. The best part is the Vasilopita, or traditional lucky cake. My mom bakes it and hides a coin inside. The person who finds the coin in their piece of cake will have good luck all year. Then, we have to wait until midnight for my dad to cut the cake. I usually go to bed early, but for this reason, I can stay up really late on New Year's Eve. It also makes New Year's Eve so much fun. Oh, I found the coin this year! I hope lots of good things happen to me this year.
